

**ROSEVILLE AREA SCHOOLS**  
Independent School District No. 623

Policy 720 – Resource Allocation Guidelines

- 1.0 It is the intent of District 623 to provide equal educational opportunity for all students through the equitable distribution of resources and services.
- 2.0 Instructional supplies and equipment allocations:
  - 2.1 Budget amounts are allocated to all District schools on a per pupil basis. Equal allocations shall be provided for all students within each grade range: K-6, 7-9, 10-12.
- 3.0 Licensed staff allocations:
  - 3.1 Allocations shall be based on student-teacher ratios within each of the grade level ranges: K-6, 7-9, 10-12.
- 4.0 Resource control:
  - 4.1 Within their buildings, principals have primary responsibility for the use of the allocated resources to meet priorities and for control of expenditures.
  - 4.2 The Assistant Superintendent, Director of Elementary School Services, and Director of Special Education shall supervise the commitment of funds for employment of personnel.
  - 4.3 The Director of Business Services shall supervise the purchase of all non-personnel items.
  - 4.4 The Superintendent shall provide the overall direction of the responsibility for control of resources.
- 5.0 Specific supply and equipment allocations and staffing ratios shall be determined annually.

Adopted: 10/24/78
